The presentation ceremony will take place after the final match. All athletes must attend the presentation ceremony.

CONDUCT & BEHAVIOUR

Whilst athletes are fully expected to compete with passion and commitment for their team and university, athletes are also expected to behave in a sporting and professional manner, both on and off the field of play. No alcohol should be consumed at the pitch/ court side.

PARTICIPATION IMAGE USE PERMISSION

By participating in the Glasgow Taxis Cup, individuals have agreed to use their image by Glasgow Caledonian University, University of Strathclyde and University of Glasgow. Those who not wish to have their image used must inform their Sports Union in writing prior to or on the day of the event in question.

CHARITY DONATIONS

The Glasgow Taxis Cup boasts a strong tradition of donating money to charity, with each participant paying a nominal match fee of £1. Charity donations will be collected prior to the event by each institution.

OVERALL SCORING

The 3 teams in each sport will play a mini league system, each match being worth 3 points for a win, 1 point for a draw and 0 for a loss. Where teams finished tied appropriate sport specific 'cup' rules will apply to conclude each fixture with a result e.g. penalties. If at the end of all matches, all teams are level having taken appropriate tie breaker measures e.g. penalty kicks/flicks, all teams will receive 2 points and that particular sport will be a draw. Each sport mini league will count towards the overall scoring of the competition as follows:

- Winners: 3pts
- Runners-up: 2pts
- Third placed: 1 pt.

Teams who fail to attend will be awarded 0 points.

The institution with the most points after the conclusion of all sports will be awarded the Glasgow Taxis Cup.

DISPUTES

If any disputes occur that cannot be resolved, an independent party will be contacted, have the situation explained to them without naming institutions involved and that person will make the final decision. The volunteer for the event in question should contact their Lead University contact and relay the information to them; they will then pass this information onto the independent party who will then come to a decision.
